This foldable stillage consists of a pallet forming a whole with four foldable solid walls. The four walls are part of a uniform construction with the Euro pallet (1200x800mm) and when folded disappear in the steel rim. This MP Flexbox is stackable when folded (6-high in a truck), as well as when unfolded (2-high).

This MP Flexbox has a folding window on both long sides.

When folded, the volume is reduced by 66%. Pleasant with return shipments and convenient in your warehouse as they take
